## **Arizona Treasurer Kimberly Yee and the AZ529, Arizona's Education Savings Plan Launch Statewide Future Career Art Contest**

*Arizona Elementary Students Have an Opportunity to Win \$529  
Towards Their Future Education and Career Goals*

**PHOENIX AZ** – The Arizona State Treasurer's Office together with AZ529, Arizona's Education Savings Plan, are asking Arizona kindergarten through 6<sup>th</sup> grade students to picture their future careers and the education they need to achieve their dreams. The 5<sup>th</sup> annual AZ529 Future Career Art Contest, which launches today, asks students to bring their dreams to life on paper. Students are asked to draw, paint or find a creative way to make artwork representing their dream job.

A total of 15 winners will be selected across the state and receive \$529 towards opening a new or existing AZ529 Education Savings Plan account. One winner will be selected from each of Arizona's 15 counties and at least one winner each representing a district, charter, private school, tribal school and homeschool will be selected. Winners will be honored by Arizona Treasurer Kimberly Yee during a special ceremony at the State Capitol at the end of February.

In all, nearly \$8,000 will be distributed to 15 students to kickstart or contribute to saving for their educational plans beyond high school. Parents or guardians of the winners will be responsible for setting up an AZ529 account if an account does not already exist. **All entries must be submitted starting January 5<sup>th</sup> either online to [AZ529.gov/2026ArtContest](http://AZ529.gov/2026ArtContest) or through direct mail. Entries must be received by February 8, 2026, at 11:59 p.m. (MST).**

"We are excited to continue this inspiring art contest in its fifth year, giving students the opportunity to showcase their creativity while envisioning their future careers," said Arizona Treasurer Kimberly Yee. "This contest is more than just artwork, it's about starting conversations with families to plan for higher education and invest in their child's future through an AZ529 Education Savings Plan. We look forward to seeing amazing entries from students across Arizona."

The AZ529 Education Savings Plan offers a tax-free approach to setting money aside for any U.S. accredited college, community college, vocational training, trade school and other educational avenues for high school graduates. Arizona residents can receive a dollar-for-dollar state tax deduction for contributions made to an AZ529 account each year, of up to \$2,000 per beneficiary or \$4,000 per beneficiary, depending on filing status. Funds earned over time will remain tax-free when used for a wide variety of covered educational expenses. Additionally, 529 plan beneficiaries can rollover unused funds into a Roth IRA, up to a \$35,000 lifetime limit free of income tax or tax penalties. Friends and family members may also add to a child's AZ529 Plan at any time and earn the same tax benefits for themselves.
