PHOENIX, AZ – Arizona Treasurer Kimberly Yee invites the public to attend the Financial Literacy Task Force meeting on Thursday, March 26, 2026, at 11:00 A.M. in the Arizona State Treasurer’s Office. The public can stream the meeting audio and presentation slides online via Microsoft Teams.

The [Task Force](#) is the next step in Treasurer Yee’s long-standing advocacy to increase financial literacy in Arizona. As Treasurer, she has led initiatives to: require Arizona high schools to teach financial education before graduation ([Laws 2019, Chapter 84](#)); establish the Treasurer’s Financial Literacy Fund and require the Treasurer to promote financial literacy to Arizona residents ([Laws 2020, Chapter 76](#)); allow families in the TANF program to use financial education to help meet their work requirements ([Laws 2020, Chapter 23](#)); and advance opportunities for families to access AZ529, Arizona's Education Savings Plan ([Laws 2020, Chapter 88](#)). As a member of the Arizona Legislature, she passed laws requiring the state’s K-12 academic standards to include financial literacy and established a seal of financial literacy on diplomas that may be earned by graduating high school seniors.
