--ATTEND BY PHONE OR WEB WITH AUDIO CONFERENCING--

PHOENIX, AZ – Arizona Treasurer Kimberly Yee is inviting the public to attend the State Board of Investment (BOI) meeting on Tuesday, January 29, at the Treasury Office. Those who can’t attend in-person can listen to the meeting online or by phone through remote monitoring. The monthly meeting reports on investment activity, cash flow, and future market conditions.

The meeting will provide detailed presentations on December 2018 investment performance, earnings distributions, and operating balances for the Land Endowment (for schools), and money invested for state agencies and local governments. The Board will adopt the Endowment’s monthly distributions to schools for FY 2020. The new distributions will begin in July 2019, but the amount is calculated for and disclosed at the December 2018 BOI meeting. This will also be the first BOI meeting under Treasurer Yee’s leadership after her inauguration on January 7.

“It’s an honor to begin this journey and represent Arizona taxpayers as their Treasurer. I look forward to sharing with Arizonans across the state the new Endowment payment to benefit K-12 schools and universities and the Treasury’s overall performance in investing their tax dollars,” Treasurer Yee said.
