

# 7 Ways to Stop Fraud

1

**Do NOT give your credit card number to someone you don't know.**

2

**Never use a debit card when paying for items or services online or over the phone.**

3

**Never click on an email link. Verify with the sender before opening.**

4

**Never share your password with anyone you don't know or trust implicitly.**

5

**Consider preventing identity theft by using an identity protection product.**

6

**Never allow yourself to be pressured into signing, buying or donating to something that you are uncomfortable with.**

7

**Have 2-3 people who can advise you before giving anyone your financial information.**
