Arizona Treasurer Kimberly Yee Appoints New AZ529 Administrator and Legislative Liaison

PHOENIX, AZ – Arizona Treasurer Kimberly Yee announced the appointment of Jeffrey Ong as the Plan Administrator of the AZ529, Arizona’s Education Savings Plan and legislative liaison for the Arizona Treasurer’s Office.

Jeffrey Ong brings nine years of governmental work experience to the Arizona Treasury team. He has served a variety of roles while at the Arizona State Senate where he worked as an administrative assistant, committee secretary and most recently, the legislative research analyst for the Senate standing committee on Education, Higher Education, and Workforce Development.

“Jeffrey’s years of experience in public policy and specialization in education issues makes him a natural fit for the AZ529 administrator role. He has a proven track record of dedication to serving the public during his time at the Senate. We are excited to have Jeffrey join the Arizona Treasury team and look forward to his contributions to the AZ529 Plan as we continue to expand the program to Arizona families,” said Treasurer Kimberly Yee.

Mr. Ong received his Master’s in Public Administration from Arizona State University as well as his B. A. in Broadcasting with a minor in Political Science.

In the last 22 years, the AZ529 has helped families accumulate more than \$2 billion for educational expenses. As the new administrator and steward of the Plan, Treasurer Kimberly Yee’s office has focused on expanding the Plan’s outreach to underprivileged families that may not have the resources or a plan for future education for their families.
